Benefits of Knitting and Waldorf Education

Knitting:

- helps students increase their **math & reading skills**
- improves levels of **concentration & self-control**
- develops **pride in work & a sense of mastery**
- develops the **motivation to complete tasks**
- Students who knit have **improved:**
 - **hand/eye coordination**
 - **small motor skills**
 - **communication skills**

At the White Mountain Waldorf School all children learn to knit in the first grade.

January 21, 2012 from 10am to 1pm
